## MARYLAND FOREST SERVICE STATE FIRE MANAGEMENT TRAINING ANNOUNCEMENT

The Maryland Forest Service is offering the NWCG certified training course S-215 Fire Operations in the Wildland/Urban Interface.

This course is designed to assist structure and wildland firefighters who will be making tactical decisions when confronting wildland fire that threatens life, property, and improvements, in the wildland/urban interface.

Instructional units include: interface awareness, size-up, initial strategy and incident action plan, structure triage, structure protection tactics, incident action plan assessment and update, follow up and public relations, and firefighter safety in the interface requirements.

**Dates:** Monday, May 19 through Thursday, May 22, 2008  
Training will begin promptly at 0800 and end at 1630 each day.

**Location:** Black Hill Ranger Station  
130 McKinneytown Road  
North East, Maryland 21901

**Note: Minimum class size is 10 students. Maximum class size is 20 students.**

**Registration:** Contact Shawn Day at (410) 287-5675 or e-mail [sday@dnr.state.md.us](mailto:sday@dnr.state.md.us).  
Provide your name, daytime phone number and fire department or agency affiliation.  
**Registration deadline is April 1, 2008.**
